

Color Star Diet: The secrets to lose weight and improve your health

A complete nutrition plan that will change your body and bring back your health. Paty Rivera is one of the best diet and nutrition coaches. Thousands of patients have lost 8 to 11 pounds a month without getting them back. As a nutrition coach for the past 27 years, Paty discovered a natural, easy and practical method to burn fat and regain muscle. This method is based on food's Glycemic Index, which controls sugar blood levels. This allows for a hunger-free weight loss program that will free you from rigid, routine-filled diets. Using the principles in this book, you will be able to eat anywhere. You will learn how to choose the foods you like and combine them in a balanced way to normalize your glucose, cholesterol, blood pressure, and triglycerides. This new edition includes revolutionary topics to help you reach your goal. Neurolinguistics for Losing Weight is the new science in appetite control, while Liposculpting through Food will help you sculpt your body while filling you with energy.
