Book one in the Shifters Haven Series  
Is true love with your soul mate worth risking your life for? When werewolf Luke Morgan runs a simple errand with his brother Kelan, the last thing he expects to find at their neighbours ranch is his soul mate. The incredibly sexy ranch foreman Mark Malone is every gay mans fantasy. The only problem? Neither Luke nor Mark are gay. Unable to deny the attraction they feel for one another, they decide to try and make things work between them. The relationship at first seems all they could hope for but trouble in the guise of Ethan Walker, a werewolf who has his sights set on Luke, threatens to destroy their newfound happiness and the future they have planned together. When Ethans threats turn to physical violence, will they still think the mating bond and blossoming love between them is worth risking their lives for?
