

Weapons of the Navy Seals

This painstakingly researched volume covers the armament and ammunition that have served the SEALs, tracing each weapon from the development stage to its current form. Also included are exclusive accounts from those who first witnessed these weapons in action. Written with the cooperation of the UDT/SEAL Museum Association in Florida, and packed with detailed information and photos, this book offers fresh insight into the technology that has for decades sustained the Navy SEALs as an unstoppable military force-and continues to make them the most dangerous warriors in the world.
