

Sight Unseen (A Heros Heart Series Book 1)

Emilia Phillips is looking for a career and a way out of her day job. She is not looking for a man to rescue her heart. Asher Mason wants his life back. He lost his sight and the hero-life he loved in a millisecond. He no longer trusts his instincts, especially about women. But the sweet-smelling waitress in his favorite cafe tempts him to trust. As Emilia helps Asher relearn everyday activities, the two find themselves falling faster than either expected. Can a woman love a blind soldier? Will she want a man who doesn't recognize himself anymore? As Asher's shortcomings become more apparent to him, the wedge forced between he and Emilia widens. Can Asher trust the same God that took his sight to direct his future? Approximately 55,000 words
