My Second Year of the War

Frederick Palmer

The Shelf2Life WWI Memoirs Collection is an engaging set of pre-1923 materials that describe life during the Great War through memoirs, letters and diaries. Poignant personal narratives from soldiers, doctors and nurses on the front lines to munitions workers and land girls on the home front, offer invaluable insight into the sacrifices men and women made for their country. Photographs and illustrations intensify stories of struggle and survival from the trenches, hospitals, prison camps and battlefields. The WWI Memoirs Collection captures the pride and fear of the war as experienced by combatants and non-combatants alike and provides historians, researchers and students extensive perspective on individual emotional responses to the war.
