

The Case for Israel

The Case for Israel is an ardent defense of Israel's rights, supported by indisputable evidence. Presents a passionate look at what Israel's accusers and detractors are saying about this war-torn country. Dershowitz accuses those who attack Israel of international bigotry and backs up his argument with hard facts. Widely respected as a civil libertarian, legal educator, and defense attorney extraordinaire, Alan Dershowitz has also been a passionate though not uncritical supporter of Israel.
