

## Lose Weight, What They Do Not Tell You!: The secret is not diet, the secret is in the habits

If you have this guide, its because youve sought help in so many ways and have not yet had a definitive answer to your question: Why I can not lose weight, even water me fat? Yes, believe me I understand, IVE BEEN IN YOUR SITUATION. I tell you a little about myself: 16 years ago vegetarian I am. However, over the years, and especially after my 2 pregnancies, of which 11 and 9 years were done, my metabolism changed a lot, but eat little, just fatter. During pregnancy I got down to 74 kg. But being pregnant I got down to 71 kg on my foot two. Much weight! During pregnancy I got 20 kg! and I could never take me so far. I tell you my experience because there came a point where I thought there could never lose weight! However, looking for information, just like you! I found information that nutritionists, health professionals, and even those who sell diet products, do not know! ... Or not reported, determining the failure in the common diets. Because of my own experience, I sought to expand my knowledge and, of course, inspired me to experiment with myself and it worked !! In this second edition of the guide, I expand on the importance of alkalizing the body, adding a chapter for that purpose. Hope you enjoy, and above all, it can implement. Multiple health benefits and beauty await you, practicing a healthier lifestyle. Cheer up, this is the first step to lose weight for good !!! Germaine P. Rodriguez Author
