

Divide & Conquer: Book Three: Mistress of Beasts Saga

A Fragile Peace. A Shocking Secret. And a Race Against Time before All-Out War. All is not well in the land of Arconia. War threatens to unravel the peace that has taken root among the races. A mysterious disease is decimating the ranks of the dwarves, and no one seems to know how to stop it. Then the beloved elf king, Geoffrey, is murdered throwing them into utter turmoil. It all seems like chaos. Or is it part of some kind of master plan instead? One thing is for certain: it's up to Castin, Katrina, Drestin, Cypris and their companions to root out this spreading evil or many more will die. What they uncover suggests a sinister plot by a mysterious and power-hungry wizard, who commands vast and growing armies. He's playing the various factions of once-peaceful Arconia against each other, weakening them until he can make his move and consolidate his own power. To add to their troubles, Castin has been wrongly accused of the king's murder. The bounty hunter Cypris has lost his mind. And each new clue ends up drawing them further away from each other, until a terrifying confrontation that endangers their lives and threatens war across Arconia. Can they come together to unite their strengths and save the land from untold sorrow? The third offering in the Mistress of Beasts saga, *Divide & Conquer* offers plenty of author R.L. Geerdes specialties: incredible action scenes, fantastical adventure, and a vividly drawn, edge-of-your-seat plot.
