

The Zincali, Or, An Account of the Gypsies of Spain

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1846 edition. Excerpt: ...suspect that these erections, which speak to the eye, have gained him far greater credit amongst Spaniards than the support which he afforded to liberal opinions, which served to fan the flame of insurrection in the new world, and eventually lost for Spain her transatlantic empire. We have said that he left behind him a favourable impression amongst the generality of his countrymen; by which we mean the great body found in every nation, who neither think nor reason,--for there are amongst the Spaniards not a few who deny that any of his actions entitle him to the gratitude of the nation. All his thoughts, say they, were directed to hunting--and hunting alone; and all the days of the year he employed himself either in hunting or in preparation for the sport. In one expedition, in the parks of the Pardo, he spent several millions of reals. The noble edifices which adorn Spain, though built by his orders, are less due to his reign than to the anterior one,---to the reign of Ferdinand the Sixth, who left immense treasures, a small portion of which Carlos Tercero devoted to these purposes, squandering away the remainder. It is said that Carlos Tercero was no friend to superstition; yet how little did Spain during his time gain in religious liberty. The great part of the nation remained intolerant and theocratic as before, the other and smaller section turned philosophic, but after the insane manner of the French revolutionists, intolerant in its incredulity, and believing more in the Encyclopedie than in the Gospel of the Nazarene. We should not have said thus much of Carlos Tercero, whose character has been extravagantly praised by the multitude, and severely criticised by the

discerning few...
