

## Autumn Leaves Dont Want the Dance to End

Will you let my love be shown? Will you let my name be known? The book tells the tale of a young mans journey from his hardscrabble beginnings in a small Adirondack community during the Great Depression to his years as husband, father, and teacher. As the fourth of nine children born to parents on welfare, he struggled to find his place. Its an American story: a story of love, courage, and resiliency. Destiny put two young people together and from that first blush of a crush to saying goodbye, their lives were one long dance. Historic events, from the excitement of the Kennedy years to the ever-changing 90s, intermingle with this narrative. With humor, compassion and heart, the threads of the story are brought together to create a tapestry of a sixty-year love affair that spanned much of the twentieth century.
