

SHIFTER ROMANCE: Binding Obsession: (BDSM Paranormal Shifter Short Stories) (Shifter, BDSM, Paranormal, Werewolf)

Abby Gutierrez is Americas Sweetheart, as a Mexican-American she worked hard to get where she is today, keeping a clean image and reputation. But now that title is holding her back from artistic expression and more gritty, sexual roles. Sam Grant is Hollywoods Bad Boy, harboring a secret darker than the nation could have ever expected. But its not his interest in BDSM that he keeps to himself. That widely known fact contributes to his edgy, rakish reputation masking the mystery only one other person knows. No its something much darker Both have a secret, an on-set love affair that was kept tightly under wraps when Abbys business manager coerced her to break up with Sam in order to keep her A-List profile as the girl next door. Deciding only her ex-boyfriend can help her land the role in an upcoming sexual film, Abby seeks out Sam and asks for training as a submissive. But can the two survived such an intense ordeal and come out of it as reunited lovers?
