For fans of E. L. James, Sylvia Day and J. Kenner. Tara Sue Me became a worldwide phenomenon with her enticing and scandalous Submissive series which enthralled millions. Now she presents a scorching tale about a risky passion too hot to ignore.... Julie Masterson craves a taste of danger, but she's never given in to her curiosity about putting her body in someone else's power - until a chance meeting with Daniel Covington, the irresistible Senior VP of Weston Bank, draws her into a seductive new world of sexual experience. Daniel is highly respected within his community, but he hasn't had an exclusive relationship for more than two years. Yet Julie's eager innocence is making him rethink his feelings about commitment. As their sizzling connection heats up, Daniel is ready to take Julie fully under his command. And Julie will have to decide if she trusts him enough to surrender completely - if she should escape before she gets burned... Before there was the fan fiction that became Fifty Shades of Grey, there was The Submissive... Indulge in the series that started it all: The Submissive, The Dominant, The Training, The Chalet, The Enticement, The Collar, The Exhibitionist and The Master.
