

A Year of Being Single

Best friends Imogen, Frankie and Grace decide to test whether the grass really is greener on the single side of the fence...Imogen is supposed to be on the most romantic weekend of her life and instead she's quickly realised that her current boyfriend definitely isn't The One and actually One Big Mistake. Frankie is fed up. Fed up of her good-for-nothing husband and her four, unappreciative children. Well, they hardly notice her anyway, maybe it's time to shake it up a little...Grace thought she had the perfect life. Gorgeous little boy and perfect, hardworking husband. Or rather, she did, until she realised her husband was shagging his work. It's time for a change - and to ditch the men who are dragging them down! It's time for a year of being single. Swearing off men, these single ladies don't need to put a ring on it...right? Perfect for fans of Jane Costello, Helen Fielding and Fiona Gibson, don't miss this brilliant debut bestseller from Fiona Collins!
