

The Heart As He Hears It (Perspectives)

Love can slip through the smallest crack in the door. Perspectives, Book 3 While most of his friends have moved on to real careers, Jon Buchanan is content skating through life as a part-time waiter and gay porn star. Firmly single thanks to a previous relationship disaster, he focuses his spare time on Henry, a dear friend dying of cancer. And with Henry's happiness paramount, Jon is on a mission to help Henry meet his recently discovered grandson. Isaac Gregory hasn't set foot outside for the past year. He has everything he needs delivered, and his remaining family knows better than to visit. When a complete stranger shows up claiming to be his grandfather with a distractingly handsome younger man in tow, his carefully structured routines are shaken. Despite his instant attraction, Jon senses Isaac is too fragile for a relationship. Yet tentative friendship grows into genuine companionship. And when Henry's health begins to fail, they realize Fate brought them together for a reason. Warning: Product contains a neurotic porn star with body image issues, a virgin hero with severe agoraphobia, and a fluffy ball of gray cuteness you'll want to take home and cuddle. Also contains references to past abuse some readers might find disturbing.
