

Jacob at the Break of Dawn [Dreamcatcher 3] (Siren Publishing Everlasting Classic ManLove)

[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, older hero, BDSM, spanking, sex toys] Cursed at birth with the ability to perceive the dreams, memories, and emotional states of almost everyone around him, planeswalker Jacob Walker has never given a thought to himself. After a harrowing war destroys his home plane, Morgana, he flees to the Earth plane in search of a savior to restore peace to the supernatural realm. When he arrives, he is met with Alexander Craven, a fiercely determined werewolf who believes himself incapable of love and has spent his entire life training to return to Morgana and join the fight. Giving in to the pull of fate, Jacob and Alexander join their vastly dissimilar souls, granting Jacob access to Alexander's terrifying strength and making Alexander vulnerable to Jacob's oversensitive psyche. In the dark hours following the end of the great supernatural war, their union may just provide Morgana with the hero it needs if it doesn't destroy them first. Note: Each book in this series features a different romantic couple. Even though the Dreamcatcher collection by Ellen Ginsberg shares an external story arc with the Songmates collection by Rayna Bradbury, each series can stand alone. ** A Siren Erotic Romance
