

The Nine Human Essences for your Business Success: A practical, trusted and reliable method to guide teams, businesses and individuals to discover how ... relationships for best results. (Volume 1)

Are you wondering how to get the best out of your employees, colleagues and yourself? Imagine if you could do that with something as simple as intuitively recognising someone's birth date! This practical guide shows you how to achieve this as you learn about the nine human essences. To succeed in business The Nine Human Essences will help you to: - accurately predict what a person or business will need - assess people's abilities, attributes, talents and qualities - understand people's needs on a deeper level - know yourself better - develop your intuition. With over 30 years experience Dean Collier shares his extensive knowledge to help nurture and grow your business. Whether you are looking to start a business, choose a career, employ somebody or understand yourself better, the easy to follow steps will help you find success. Every business needs all nine human essences working together to become successful.
