

Auguries of Summer

Easy-going Sebastien divides his time between working as a cleaning technician, caring for his widowed father, and running off to the park for soccer practice. Coasting through his existence, hes convinced he doesnt have much going for him. That isnt what his best friend Jack thinks. Quick-witted and passionate, Jack is fascinated by art and history, but the greatest book or painting could never compare to how he feels when hes alone with Sebastien. In the last five years, Seb and Jack have shared everything, sometimes even a bed. Yet though their chemistry is smoking hot, Sebastien keeps Jack at a safe distance. But when the two move in together to lower their living expenses, that distance gets smaller and smaller, until Sebastien and Jack are standing so close, they cant see whats right in front of their eyes ... the love of their life.
