Ive read tons of weight loss books but this one showed me how to improve my health, energy and focus. I take it with me to the grocery store so I can shop for the foods that help me get slim and healthy. Ive lost 5 pounds in one week, my digestion has improved and I am less bloated. Its just a really, really awesome book!!! My new weight-loss bible. -Jackie Williams (Womens Health Magazine) Theres a lot of valid, helpful and interesting information in here. I lost several pounds and I feel really healthier. Another thing I noticed was that my digestion improved, less bloating, cramping and gas...much better bowel movements. I take this book everywhere I go and reference it throughout the day. Its more than I ever could have imagined. Now that I have this book nothing will stop me in my

weight-loss journey-MaryAnne Stevens I had a lot of aha moments throughout the book.I remember my boyfriend telling me my face was getting skinny and there was a glow about me.I was super motivated by that.My sleep has gotten better and more restful.This book also teaches you to be aware and make the right choices.It is worth every penny.Enjoy-Martha Anthony
