Cycles, Tents and Two Young Gents A Continental Adventure Large Format Illustrated Edition Two friends embark upon an expedition through France, cycling from Cherbourg to Perpignan. Over the course of almost 1500 kilometres, they battle through the relentless heat and encounter vampire flies, angry restaurant proprietors and a host of European characters that have made France their playground for the Summer. Along the way, they also contend with a rapidly diminishing cash supply, numerous dodgy camp sites and encounters with various French nutters. They are also forced to deal with perhaps the most difficult obstacle of all - each other! A test of friendship and endurance, Cycles, Tents and Two Young Gents puts you right alongside the hardy adventurers as they complete their grueling journey the only difference is you wont finish the expedition with saddle sores and an empty bank account!
