

Bangkok Boy Bar: My true story of romance, love and self-discovery among the alluring young gay boys of Thailand

Now an Amazon Best Selling Book! A sensuous, beautifully crafted tale with broad appeal. A gay Under the Tuscan Sun. A Rice Queens Bible. Please visit Richard Vohls YouTube Channel to view the Bangkok Boy Bar trailer. I have just completed my latest work a nonfiction gay romance travel book. This is a deeply personal and important story, and I am glad to share it with you. I spent the better part of the past two years researching and writing the book to tell the story of my first trip to Thailand and how it has changed my life. Two introductory chapters provide a narrative background of my formative years growing up in the Midwest of the United States, and beginning my adult life in Los Angeles. My disillusionment with the gay culture of L.A. and West Hollywood led me to search for a much different life. Many of the pivotal scenes in Thailand take place in the infamous gay boy bars in the Silom District of Bangkok, and the Sunee Plaza Neighborhood of Pattaya. I encounter a string of seductive Thai young men, their youthful splendor as alluring as sirens. The numerous love scenes are poetic in nature (with notable exceptions). There are over 100 pictures embedded within the story. Most of these were taken by me during the actual events. The book is not a travel guide per se, yet seamlessly incorporated within the story are details about Thai culture, language and cuisine, gay resorts, neighborhoods and boy bars, and how not to fall out of a tuk tuk as its racing through the streets of Bangkok. The book completes with the final chapter of my return to the U.S. after a life-threatening event in Thailand. We witness the repercussions of how my awakening begins to change my life and the loved ones around me in both subtle and profound ways. Because this is a contemporary true story and gay travel book, I hope it is one to which many of you can relate, and if you wish, embark on a

similar venture of your own. So take my hand, lets blow into this colored spinwheel, and lift off together to wherever it sends us
